

FY 2002 Performance Contract

Mission:

Cite IC mission statement

Through this Performance Contract, I hereby commit to clear and measurable goals to be achieved during FY 2002 and beyond:

***“One HHS” End-Outcome Goals
Contribute To:***

The intended NIH results

- ***Improve Health Outcomes*** by funding research that leads to increased understanding of normal and abnormal biological functions and behavior and to the development of new, as well as improvement of existing diagnostics, prevention strategies, treatments, and instruments and technologies.
- ***Enhance Health Care Quality and Treatment*** by publishing research results; engaging in community outreach activities, and the development of consensus reports regarding clinical practice; and by collaborating with health professionals across the Nation and in other HHS agencies to help transfer science advances into the practice of medicine.

***Intermediate Outcomes I
Pledge to Achieve During
2002:***

The identification of what must happen in order to achieve outcomes; seen as changes in attitudes, behaviors, and conditions

Program Outputs Needed for 2002 to Achieve Expected Results

The very specific, measurable activities that influence and permit achievement of intermediate and end outcomes; seen as tabulations, calculations, and efforts recorded

Management Improvement Initiatives

The inherent management responsibilities; see "One HHS" Department-Wide Management Objectives

In addition to the specific program results articulated in this plan, I pledge to "Manage for Results" by implementing the following management improvement initiatives in 2002:

I hereby commit to achieve these goals and hold myself and my employees accountable for developing and implementing the necessary initiatives to produce these results.
